

VIRTUAL PARTICIPATION

Are you a values-driven practitioner-researcher who wants to enjoy a sense of connection with like-minded people and contribute to spreading globally the influence of knowledge that carries hope for the flourishing of humanity?

Join our CARN Study Day, Saturday 4th February 2017, 10.00-16.00 UK time.

You can be **VIRTUALLY** present through your living-poster, whether or not you can be with us through SKYPE.

Virtual participation is free.

The purpose of this study day is to prepare for the Global Assembly at the Action Research Network of the Americas (ARNA) conference in Cartagena on the 16th June 2017 with the theme 'Participation and Democratisation of Knowledge: New Convergences for Reconciliation'

(see <http://www.actionresearch.net/writings/brief.pdf>). During the study day we will be seeking to extend a collaborative community of practice to create new understandings of 'democratisation of knowledge' through exploring places and accounts of convergence between Action Research, Self-Study, Narrative Enquiry, Autoethnography and Living Theory research.
