

Voices from “The Kitchen” of “The Balanced and Flexible Literacy Diet”

1. The Early Reading Improvement Project “Schools in Need of Extra Help” was developed by the Ministry of Education. What suggestions would you give to the Ministry to maintain the success of this program when providing assistance to other schools in the future?

2. How has the Balanced Literacy Program improved student learning in your (the) classroom(s)? Please give specific examples; i.e. a story of a child who has experienced success.

3. What have been the benefits of this project?(personal, professional, school, and community)?
Personal_____

Professional_____

School_____

Community_____

4. What issues of frustration were associated with this project and how did you cope?
