

2005

12th International Conference on Teacher Research

April 16,

McGill University, Montreal, Canada

McGill University welcomes you to this international event, which:

- ◆ Brings together teachers from all levels who are investigating their practice.
- ◆ Aims to foster educational conversations that will inform participants' research and teaching.
- ◆ Immediately follows the 2005 meeting of the American Educational Research Association (AERA)

Keynote Speaker: Jack Whitehead, University of Bath,
United Kingdom

Date: Saturday, April 16th, 2005

Time: 9:00 a.m.-4:30 p.m.

Location: Faculty of Education, McGill University

Contact: krista.redden@mail.mcgill.ca, or (514) 398-4969 for
registration details

ICTR MISSION STATEMENTS:

- ◆ To improve the learning opportunities of all children through the growth of individual teachers conducting studies in their classrooms
- ◆ To disseminate their findings to a wider group of teachers, teacher-educators, and students
